

Dear Friend,

The Carter County Junior Livestock Show is an annual event that brings together youth livestock exhibitors from across Carter County and presents an opportunity for these young agriculturalists to exhibit their sheep, goat, swine and cattle projects. Livestock exhibition in 4-H and FFA plays an integral part in fostering responsibility and preparing these young leaders for the future and their careers, both in and outside of the agriculture industry.

The Carter County Junior Livestock Show is a nonprofit organization and event. The support of donors ensures we are able to put on a successful event, as well as reward these exemplary individuals for their hard work. The monetary awards received by these exhibitors for their prize winning animals go towards their livestock projects for the next year, or in the case of high school seniors, could provide financial assistance for their collegiate endeavors if they so choose.

In an effort to encourage further fundraising initiatives, the Carter County Saddle & Sirloin Committee was formed in 2016. As a committee, we were extremely excited to host our newest fundraising venture, The Boots & Bowties Valentine's Day Ball, in February 2017. In its first year, the event raised over \$30,000 to contribute to the Junior Livestock Show. In 2019, the Saddle & Sirloin Committee assumed the responsibility of the primary fundraising arm for the CCJLS. The 2024 Boots & Bowties Ball brought in just over \$80,000!

This year, the 21+ event will be held February 8, 2025 at the Ardmore Convention Center. Attendees will be treated to an evening of fun including a live country band, delicious steak dinner and open bar. We will have a variety of both silent and live auction items donated by area businesses and individuals, as well as some one-of-a-kind items built by the local FFA chapters. All proceeds will go directly towards the 2025 Carter County Junior Livestock Show to be held February 25-28, 2025.

We have high hopes for this fundraising effort in its ninth year and its potential to grow in the years to come. We invite you to join us as a sponsor of this exciting event! In addition to supporting the agriculture youth of Carter County, a sponsorship is an excellent means of exposure for your organization or business. Sponsorships also include your attendance at the event, along with some added perks. Please see the attached page for a detailed description of sponsorship levels.

We appreciate your consideration, and look forward to hearing from you soon!

Chloe Jones  
Carter County Saddle & Sirloin Committee
